

## Remote WORK Income Challenge

### 5 Day Challenge Guide & Schedule

You've taken the first step to building your digital income journey.

Over the next 5 days, you'll gain practical skills, create a mini portfolio, and leave with your first 30-Day Remote Income Plan.

| Monday                                             | Tuesday                                                 | Wednesday                          | Thursday                               | Friday                                         |

Your Phone or Laptop

 Success Tip

Consistency > perfection. Even if your first design/profile/plan isn't perfect, completing the daily action is what builds momentum.
